

22Mar68

Mr. R. J. Smith

GACarver, Jr.

Attached is an informal memorandum I sent to the Director on 21 March. This does not pretend to be an exhaustive analysis, but contains only those things on which our hands can be quickly laid. I am sure further review of DDI publications would add many additional statements that could be cited.

I am passing this along for your information and would appreciate its return after you have read it.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs
